## SENIOR CLASS HISTORY

In the course of human events it becomes necessary for us to write for the edification of posterity the happenings during our high school days.

Having risen from the lowest form of existence—that of freshmen—to the highest pinnacle of dignity—that of seniors—we feel justly proud of ourselves and think the effort exerted to attain this peak has been well worth the giving.

When we entered Hickory High School as freshmen we encountered the usual hazards, Algebra, Latin, Spanish and Sophomores. After hurdling all these difficulties successfully we became sophisticated sophomores. Embarking on this second year we thought that we owned the institution and that the newcomers were lower than the dust under our feet. Only too late did we realize that our time spent in "heckling" the underclassmen had cost us some of our members, via the failure route. Thus we passed the half-way mark with our shields untarnished and our heads unbowed.

In our Junior year we discovered that, if the money with which to pay for our annual banquet were to be secured, we had to "cut the comedy." Faced with this almost insurmountable task we lent our energies to the work and finally acquired the sum for the event. This Junior-Senior reception, the major social function of the school year, was staged in an elaborate fashion and in a way befitting the Class of '36.

No history would be complete without characters. For this reason we should like to recognize some of the outstanding personages connected with our success. The first is Miss Margaret Abernethy, who worked with unstinting effort to make the banquet distinctive; the other is Mrs. James Winkler, whose untiring labors with the publication of the LOG for the Class of 1936. We are indebted also to the faculty which has worked patiently and faithfully with us during our sojourn here.

In lieu of our departure let's give a toast to the past, for what it has meant to us; let's give another to the future, for what it holds in store for us!

HARRY STEELMAN.

## SENIOR CLASS SONG

We love to sing of Hickory High,  
Our noble Alma Mater,  
Of all the schools she is the best,  
And none will e'er be greater.  
The ties that bind us to high school days,  
No earthly power can sever,  
We'll e'er up-hold the green and gold,  
And our class-mates dear forever.

### CHORUS

Farewell, dear high school,  
Guardian of our past,  
We'll honor thee and love thee  
While life shall last.

When we have left these hallowed halls  
Upon our graduation,  
Another throng shall sing our song  
Of loyal adoration.  
The memory of our high school life  
Shall never fade, no, never.  
We'll all be true '36 to you  
And the green and gold forever.

### CHORUS

Farewell, dear classmates,  
Friends of our youth  
We'll pledge to thee our loyalty,  
Honor, and truth.

## SENIOR CLASS RESOLUTIONS

The following set of resolutions, drawn up by a committee were unanimously approved by the graduating class of 1936:

"Whereas, we, the senior class of nineteen hundred thirty-six, have reached the last year of our high school career, whereas, we are beginning to see the value of a high school education to one in life, and whereas, we want to make known to the student body, faculty, and the public in general our appreciation of the opportunities given us by this school and our aims for making this last year measure up to standards that befit this city in which we live,

*"Now therefore, be it resolved:*

"First, that we be loyal to the school by upholding the standards set for the school, by helping the underclassmen in every way possible, by doing all in our power to make the school better, by trying our best to gain more knowledge, and by developing a finer spirit toward our fellow student.

"Second, that we show our school spirit by taking part in all school activities such as, aiding our school teams by attending games, taking part on programs when asked, and supporting the various activities in every way we can.

"Third, that we be loyal to our class by taking part in all its activities, by supporting the class in everything it undertakes for its betterment, by attending all class meetings, by expressing ourselves while there instead of letting the class officers and a few others do all the work, and by keeping a fine, cheerful class spirit instead of being a habitual knocker.

"Fourth, that our conduct be above reproach and that we show a spirit of courtesy and kindness at all times—

(A)—In the classroom by giving undivided attention to the teacher, by becoming behavior, and by refraining from marking on the walls and desks.

(B)—In the assembly room by giving undivided attention to the programs, by being courteous to all performers at all times, and by refraining from hissing and booing.

(C)—In the halls by avoiding congestion, by not running, and by refraining from loud talking.

(D)—At games by being courteous to the opposing team, and by being good losers as well as good winners.

"Fifth, that we shall each endeavor to maintain a high standard of scholarship—an average on all subjects of at least 70, not making this our highest goal but trying to make the grade which suffices for our personal capacity.

"Sixth, that we shall develop our personalities by correct posture, carriage, a clean body, and by neat appearance.

"In witness hereof this seventeenth day of October in the year of our Lord, nineteen hundred thirty-five.

(Signed)

MARY COUNCILL  
MARGARET FLOWERS  
HARRY STEELMAN."

## HISTORY OF JUNIOR CLASS

*(With apologies to Longfellow)*

Listen, my friends, and you shall hear  
Of the ranks of students gathered here  
In the fall of September thirty-three  
Soon submissive to new decree.

Well all will remember that awful fear  
Of the sophs who threatened in so much force  
To be up in arms with spirits of fire  
To any trespassers or flaunters of ire;  
Beneath their strong sway "rats" bowed the head  
While inwardly whispering—all will be well;

For suddenly, all his thoughts are bent  
On a shadowy something far away—  
When the grade beacons open to show the way  
To the Sophomore rank that preens and gloats  
Over newfound dignity soon to be spent.

And lo! As he climbs toward learning's height,  
A glimmer, and then a gleam of light;  
He springs to the task, the books' pages he turns  
But lingers and gazes, till soon on his sight  
A second lamp as a guide star burns.

A hurry of Juniors in the halls we meet—  
A glimpse of a class—flying fearless and fleet—  
That is all! And yet through the splotches of gloom and light  
The Juniors of Central High are riding aright.

And so from our class comes the spirit strong  
To aspire to the heights and battle long.  
Through all our history, thus far made,  
In hours of joy or labor paid,  
Members of this class have wakened to hear  
The age-old message from learning's sphere . . . .

## SOPHOMORE CLASS HISTORY

At least we, the class of '38, have left the "green" stage and reached that peak of superiority known as Sophomore. After a very eventful Freshman year, we are well launched upon a busy and interesting second year.

During the latter part of the Freshman year, the main event for the girls was the Junior-Senior Banquet, but both boys and girls took part in the May Day exercise.

At our first meeting as Sophomores, we elected officers and a class advisor. Again this year as last, we are well represented in every phase of school activities open to us. As a class, and a large one at that, we will strive to be one of the best that Hickory High School has turned out in a long time.

—EDWARD HAY.

## FRESHMAN CLASS HISTORY

The large Freshman Class of '35 and '36 began its journey through High School with high hopes of a successful ending.

To many of us, the beautiful Claremont Central High School building has been the objective to which we have looked and for which we have longed through the seven years of Grammar School. And now we are here, happy that this much of our High School life has been successfully experienced, and hoping that the remaining years will do credit to all of us. We are well represented in the various school activities, and school spirit is being rapidly developed.

Our efficient teachers are appreciated more and more as the weeks roll by, and we hope this appreciation is mutual.

With each rapidly passing day we are becoming more at home in our new "school home," we are becoming better acquainted with our class-mates and teachers, and we have a better understanding of High School methods.

Therefore, we, the class of '39 will heartily endeavor to attain the standards set by the classes above us.

—ROBERT MOSS.

For the first time in its history, Hickory High School has had a Monogram Club included among its many activities.

The club was started at a banquet given the football lettermen during the latter part of December. The first meeting was held early in January, at which time baseball, basketball, and tennis monogram wearers were admitted.

Led by their two advisors, Coach Scarborough and Mr. Cottrell, the members have striven to join the bonds between athletics and school work more closely. One of the requirements for membership is that the letterman maintains a passing grade in at least three subjects; in that way the age-old theory that an athlete isn't noted for his "brain-work" is abolished. Another aim of the Club is to prevent the wearing of a monogram by a non-member.

The Monogram Club is to be continued throughout each year, with the hope that it will create a better athletic relationship between Hickory High and her opponents, and encourage school spirit and good sportsmanship among the students.

## FOOTBALL 1935

I. SHELBY, Sept. 27—The fighting Tornadoes, inspired by a new coach, opened the season with a crushing victory over Shelby, 32-0. The whole team displayed superior skill in all parts of the game, scoring in each of the last three quarters. Captain Beck collected two of the touchdowns. Teeter raced 80 yards for six points, Beck passed to Abernethy for another score, and John Cline, a brilliant substitute, intercepted a pass and side-stepped thirty yards for the last tally. Two extra points were gained on passes—Beck to Kanupp, and Laney to Cordell.

II. STATESVILLE, Oct. 4.—After marching down the field on three plays to score an easy touchdown in the first quarter, the Tornadoes fought on even terms for three remaining periods to lose to their arch rival, Statesville, 7-6. Kanupp scored Hickory's only touchdown on a pass from Phillips.

III. BELMONT, Oct. 11.—Trailing at the half 6-0, Hickory staged a fiery comeback to defeat Belmont 12-6 on a rough, dusty field. Beck and Teeter made the tallies.

IV. LINCOLNTON—Hickory High crushed Lincolnton beneath the score of 25-0, scoring in every period but the third. The highlight of the game was Deitz's 70-yard run after intercepting a pass. Phillips, Beck, Deitz, Garrett, Kanupp, and J. Abee were mainstays for the Tornadoes.

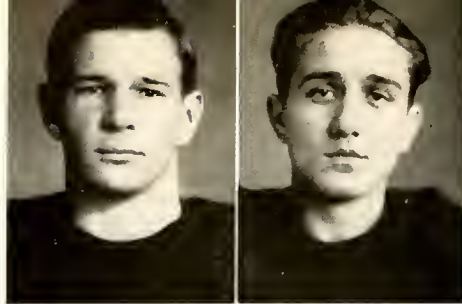

V. CONCORD—A scrapping crew of Tornadoes bowed before the powerful attack of a heavier, tricky Concord eleven, 20-0. A couple of triple reverse passes, a line of fierce blockers, and a breath-taking 50-yard dash by Bratton spelled doom. It was no "walk-away" however, Beck, Teeter, Garrett, Kanupp, and Deitz coming through with outstanding defense work. Concord made 12 first downs, Hickory, 5.

VI. LEXINGTON, Nov. 1.—Handicapped by the loss of Teeter because of illness, Hickory lost to a strong Lexington team, 13-6. The Tornadoes score came in the fourth, Phillips passing 15 yards to Kanupp who ran 5 yards, to cross the marker standing up. Corn and Johnston starred for the visitors, with Beck, Phillips, Kanupp, Abee, Garrett, Deitz and Heavener showing up well for the home team.

VII. NEWTON—After battling on even terms for almost four quarters in the best game of the season, Hickory began a march for the goal line, when Garrett blocked a punt in midfield. Stopped on the three-yard stripe, the ball went over. Morrison, Newton, attempted to punt from behind his goal line, fumbled as the whistle blew, and the game was Hickory's by virtue of an automatic safety. Phillips suffered a broken collar bone in the second quarter but substitute John Cline, filled the breach and turned in some nice blocking. The whole Hickory team went on a starring spree and Gurley, Coley, and Morrison shone for Newton.

VIII. BARIUM SPRINGS—Playing slow, mediocre football, Hickory allowed a heads-up orphanage team to run riot for four touchdowns and keep them out of the scoring column. Score, 26-0. Beck's punting was outstanding and Garrett, Teeter, Deitz, and Abee played well. Dave and Ralph Spenser were the big guns in the Barium attack.

IX. KANNAPOLIS—Hickory trounced Kannapolis 13-6, making eleven first downs to the opponent's six. In the second quarter Beck passed 20 yards to Kanupp behind the goal line for the first touchdown, and then dived across himself in the third quarter to put the game in the bag. The Tornado eleven finished the year in a blaze of glory, exhibiting a smooth-running attack. Payne and Creighton starred for Kannapolis.

JACK BECK, 165 Pounds

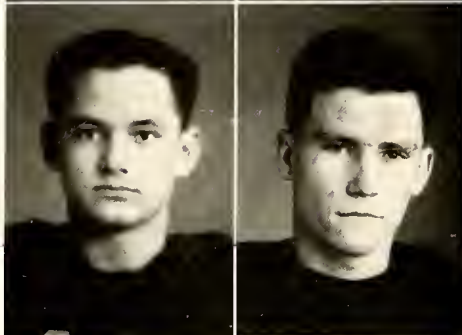

*Halfback or Fullback*

Captain Beck, fleet-footed, shifty, triple-threat man, sang his swan song this season. He proved to be a capable leader, deceptive back, and consistent ground-gainer.

CHARLES KANUPP, 165 Pounds

*End*

Playing his last year of high school football, Kanupp turned in a brilliant season marked by hard tackling, nice runs, and apt receiving of passes. This towhead will be missed.

FRANK DEITZ, 175 Pounds

*Center*

Deitz was outstanding in every game played, making spectacular tackles, intercepting passes, and working at center with exceptional skill. Receiving a berth on one of the All-Conference elevens, he was commended by all the coaches played against. Deitz will "go places" for the college of his choice.

JOHN CLINE, 158 Pounds

*Halfback, Center*

Although "labeled" the first-string center substitute, reliable, hard hitting, and promising, John proved his versatility by shifting to the backfield and stepping into the injured Phillip's shoes—running, passing, and blocking like a veteran for the remainder of the season.

LUKE HEAVNER, 190 Pounds

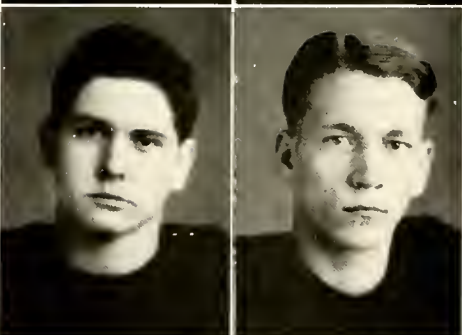

*Tackle*

Tall, broad-shouldered Luke "gave opponents fits" with his slashing tackles, effective "hole opening" ability, and steady nerve.

JOHN WHITENER, 160 Pounds

*End*

Steady, dependable, and hard-fighting sums up John on the football field. He should prove quite an asset next year in the line.

J. D. THOMASON, 170 Pounds

*Guard*

J. D., especially outstanding on defense, was a hard tackler, breaking through to nail the ball carrier before he could start. This big husky should shine next season.

JACK ABEE, 170 Pounds

*Guard*

Exerting a settling influence on the entire team, Jack plugged away making spectacular runs possible and "nipping in the bud" dangerous plays by opponents. Though quiet and unassuming, on the field his fighting spirit cannot be downed.

RUSS ABEE, 155 Pounds

*Halfback*

This tall, lanky back proved his ability "to take it" and "to dish it out" in every contest, side-stepping tackles, diving through the line, and expertly receiving passes.

CLYDE JONES, 155 Pounds

*Guard*

Climaxing his football experience at Newton, Clyde turned in some brilliant work, especially as stationary guard.

JACK CORDELL, 150 Pounds

*End*

CordeLL utilized his height advantageously and developed into a better than average "snagger" of passes. He ably went into the line as a relief Tornado.

## COACH SCARBOROUGH

Coach Scarborough became the "Miracle Man" of the year by "pulling out of the bag" of green material a smoothing-running, skillful team of fighters—convincing proof of his amazing coaching ability.

JAMES GARRETT, 190 Pounds  
*Tackle*

A bulwark of strength on defense, a battering ram on offense—thus, might this calm, determined tackle be described. His educated toe chalked up many extra points while his kickoff gave the enemy something to look for. For stiff, 60 minutes per hour competition we recommend James.

MAC TEETER, 135 Pounds  
*Quarterback*

A clever field general, elusive runner, and able safety man Mac, light in weight played every game with a world of fire and pluck.

ALWYN PHILLIPS, 155 Pounds  
*Halfback*

Making the varsity for the first time, Phillips became a skillful passer and a good blocker. His season was cut short at Newton by a broken collar-bone.

HAROLD KEEVER, 145 Pounds  
*End*

Although new at the game, Keever displayed exceptional ability in tackling and blocking. One of next year's end positions is well taken care of in this plucky, determined lad.

ROBERT HAHN, 145 Pounds  
*Back*

Robert has the burning desire to be a good athlete and the "stick-to-it-iveness" quality that will make him succeed.

BEN LANEY, 130 Pounds  
*Halfback*

Ben gained recognition as a broken field runner of no little prowess. His general all round ability developed during the season predicts future stardom.

JULIUS ABERNETHY, 140 Pounds  
*Halfback*

This hard fighter will have another year to defend Hickory High. His determination and all-round good work will mean much to the Tornadoes.

E. J. MCCOY, 165 Pounds  
*Guard*

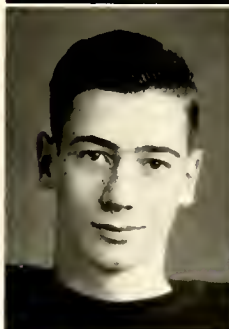

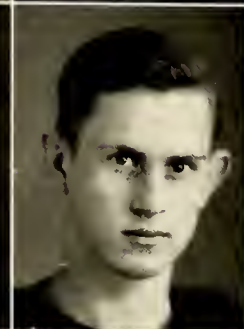

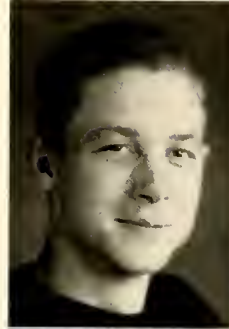

Clearing the way for Tornado ball carriers was E. J.'s specialty.

MERLE HOUCK

Being Manager for two years successfully is quite an accomplishment and Merle deserves all the praise possible. He has been dependable, accommodating, and prompt.

RUSSELL SMITH

Russel "learned the ropes" early in the season and performed the tasks cheerfully and well.

# BOYS' BASKETBALL

LUTHER HEAVENER

'36 *Captain and Center*

A hard worker, Luke was aggressive and a good scrapper.

"RUSS" ABEE

*Alternate Captain and Forward*

Alternate Captain. All Conference forward and leading scorer was "Russ's" reward for his splendid work.

ROBERT HAHN

*Lanky Forward*

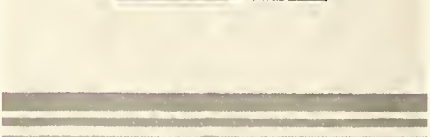

He made a regular berth his first year on the squad.

JACK ABEE

*"Long-shot Guard"*

Noted for his defensive play. Though hampered by illness he made a good account of himself during the season.

JACK BECK

*Coolest Guard*

The most consistent man on the squad. Though not very tall, he was rated as one of the best guards in the Conference.

CHARLES KANUPP

*Forward*

Alternated at forward, he was always a good scrapper.

MILLER SIGMON

*Rugged Center*

Slim was reserve center. Although just a freshman to the squad, he proved worthy support to Luke.

# BOYS' BASKETBALL

NED FRYE

*Reserve Guard*

Because of his consistency, Ned is likely to fill Beck's shoes.

BEN LANEY

*Chubby Forward*

Though very diminutive, Ben is fast and is perhaps the hardest worker on the squad.

BAYNE TEAGUE

*Forward*

The only "Soph" on the squad will be well prepared for the next two years.

FRANKLIN CARVER

*Forward*

His willingness and aggressiveness this year has helped him to earn a monogram.

FRANK DEITZ

*"Chubby" Guard*

Frank played reserve guard and seems to be the most likely man to replace Jack Abee.

ARMON DEAL

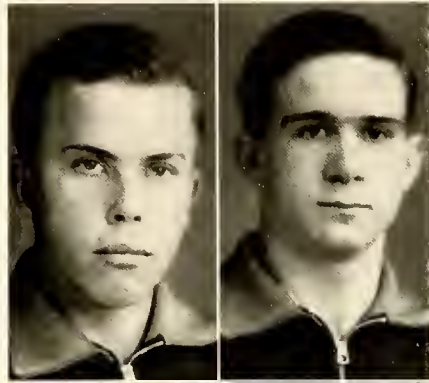

*Forward*

Although not able to stay out all year, he is a letterman from last year.

ELMER HOLLAR

*"Tubby" Manager*

Although hard to find in dressing room he stays the "time."

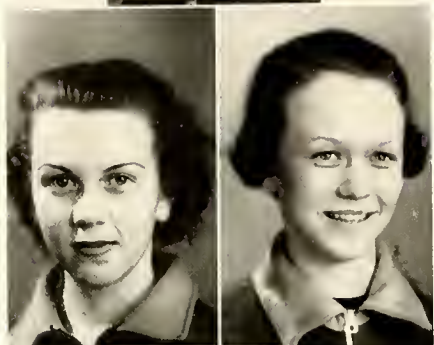

# GIRLS' BASKETBALL

JEAN WILLIAMS

*Captain*

Letterman for three years. All Conference two years. Captain and high scorer this season. Tall sure-shooting. dread of her opponents will surely be missed next year.

MARY LEONARD

*Alternate Captain*

Alternate Captain this season. Our tall center guard who did plenty of good playing for two years. She'll be missed in '37, all right.

NINA HALL

*Guard*

All Conference star player. Quick as a flash. "Sis" did some fine work all four years. We couldnt have done without her.

AGNES ICARD

*Forward*

"Ickie" played two years of swell basketball. She certainly gave her guard "the run-around." And you could always depend on her for lots of score.

JOAN WHITENER

*Forward*

Conscientious describes her work. "Jone" was a fast player and she could surely shoot those goals from the front. We depended on her good work for two years.

MARY HALL

*Guard*

Only a sophomore but plays like a professional. We predict that she will be an All Conference her next two years.

IMOGENE CASHION

*Guard*

She's played two years and has another, thank goodness! "Imo" works hard and deserves lots of credit for her good playing.

NIHLA LAIL

*Forward*

A forward for three years. We all depended on her good aim in shooting those balls in the basket.

# GIRLS' BASKETBALL

GLADYS WHITENER

*Forward*

Another forward who showed what height could do toward ringing many a goal. She was on the team two years.

NELL MOSER

*Guard*

We're glad Nell will be here another year for she sticks with her forward like a magnet does to iron.

MAUDE SHUFORD

*Guard*

Are those Siamese twins? No, just Maude stickin' to her forward. She has played one year and has another.

OTHA RICE

*Forward*

A tall forward who has played two years and if she improves as much next year as she did this she'll be a star player.

MILDRED SHUFORD

*Forward*

She certainly has a good aim for the basket.

PEGGY CANNON

*Guard*

This is her first year playing for Hickory High. She showed how practice and hard work make a real good player. We'll have her next year.

HAZEL WHITENER

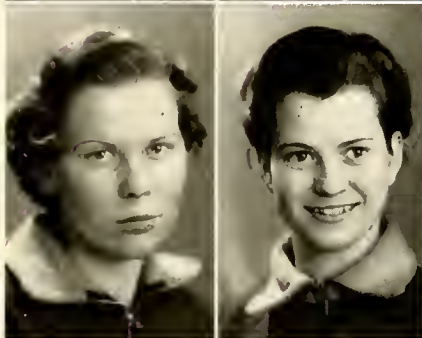

*Forward*

She shows us that you don't have to be tall to get around and shoot the ball. This is her first year but she has two more.

MARTHA THORNBROUGH

*Manager*

Our faithful score keeper and "cleaner-upper." She did lots of hard work two years that many people didn't know about.

## SCHOOL SONG

Hail! All hail to Hickory High School,  
 And to her colors true.  
 We will ever more be loyal,  
 For we're proud of you.  
 And we'll sing a song of gladness,  
 Name thy glories o'er,  
 Hail! All hail to Hickory High School,  
 For ever more.

### CHORUS

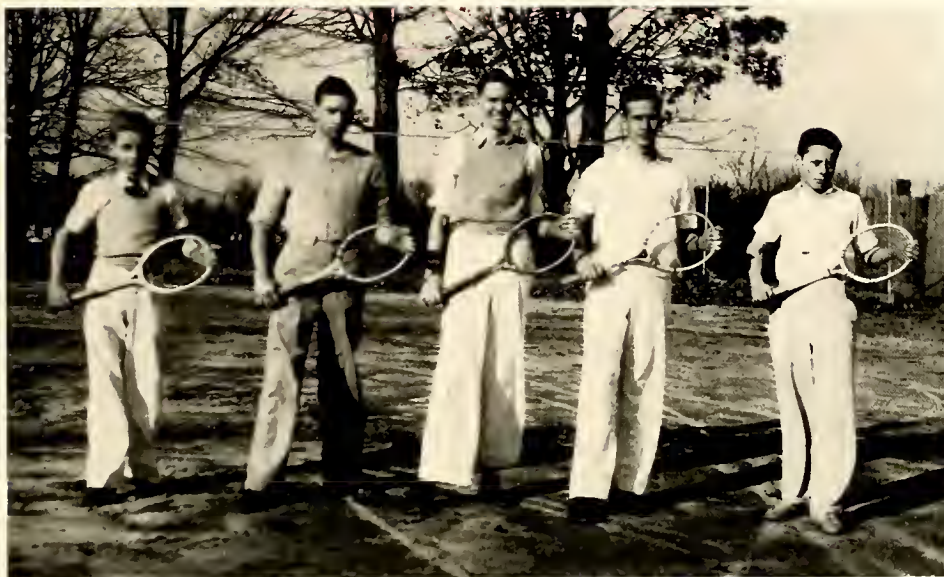

Then wave her colors ever,  
 Furl her standard never,  
 Raise it high and proudly cry,  
 "We're Hickory High School girls and boys forever."  
 Our songs and praises swell,  
 Let's all join hands and give a yell,  
 For we'll fight with a vim that is dead sure to win,  
 For old Hickory High!

Lift the chorus, speed it onward,  
 Loud thy praises sing.  
 As thy noble sons and daughters  
 Make the welkin ring.  
 Arm in arm we'll stand together,  
 Thy honor we'll uphold.  
 Hail! All hail to Hickory High School  
 And the Garnet and Gold.

## TENNIS

One of the most successful seasons ever enjoyed by Hickory tennis teams was the record of the 1935 squad, which won eight matches and lost two. Among the teams beaten were Charlotte and Concord, the latter by very decisive scores.

Graduation made a serious impression in the Red Tornadoes' hopes for a better record this spring, Bill Kennedy, Jack Mauney, Charles Morrison, and Jimmy Williams having finished their high school career last year. The 1936 team will probably be built around Captain David Gosnold and Auburn Poovey, last year's only remaining regulars; and Paul Bumbarger, Marshall Mauney, and John Friday, substitutes in 1935.

Last year's results:

Hickory	4	Charlotte	5
Hickory	9	China Grove	0
Hickory	4	Charlotte	3
Hickory	4	Lenoir	1
Hickory	8	Morganton	1
Hickory	7	China Grove	0
Hickory	2	Lenoir	3
Hickory	3	Morganton	0
Hickory	8	Concord	2
Hickory	9	Concord	1

## BASEBALL

After a lapse of several years Hickory High decided by popular acclamation to sponsor baseball as major sports activity in the spring of '35. Although we had no regular athletic coach, our principal, Mr. Cottrell (V. P. I.) kindly consented to tutor those with aspirations of becoming big leaguers. Even though the boys were, for the most part, "out of practice" our Coach worked up a fine team in a short time. Handicapped as we were, we not only developed a spirit of team work and sportsmanship, but we were a winning team as well. Remembering the corking good times we had (and the supper at Lincolnton on our Coach), we are looking forward to next season with high hopes and aims.

*"It Pays to Shop at Penny's"*

Penny's Extra Quality Adds  
Nothing to the Price

Penny's is not in the business for today only. We expect to be the favored shopping place of your children, their children and their children's children.

That's why Penny's emphasizes *Quality* as the test of "Value."

That's why Penny's is more determined than ever to quote low prices—without sacrifice of quality.

That's why Penny's will be serving the nation with HONEST VALUES long after "price-shooting" competition has disappeared.
